**RE: RCRA Subtitle C Site Identification Form for
Former Ingersoll Rand Company Facility
222 Cameron Drive
Phillipsburg, NJ 08865**

Dear Ms. Smith:

As you requested, we have modified the site location information (section 4 on the Site Form) to reflect the location of the former Ingersoll Rand operations at the Phillipsburg, New Jersey site. The operating address is Ingersoll Rand Company c/o ENSR, 222 Cameron Drive, Phillipsburg, Warren County, NJ 08865.

Please note that the subject property (942 Memorial Parkway) is being subdivided for multiple owners and tenants. Tenants at the subject property include Flowserve and Curtiss-Wright. However, the companies identified as Flowserve and Curtiss-Wright in your records are not associated with the former Ingersoll Rand facility nor the Ingersoll Rand Company since these are completely distinct companies and/or entities. Therefore, the RCRA Subtitle C Site Identification Form submitted to your office is specifically for remedial activities that are being conducted under the oversight of Ingersoll Rand Company.

If there are any questions, please feel free to contact me at ENSR at (732) 981-0200 ext. 3012.

Thank you in advance for your assistance.

**RE: RCRA Subtitle C Site Identification Form for
Former Ingersoll Rand Company Facility
222 Cameron Drive
Phillipsburg, NJ 08865**

Dear Ms. Smith:

As you requested, we have modified the site location information (section 4 on the Site Form) to reflect the location of the former Ingersoll Rand operations at the Phillipsburg, New Jersey site. The operating address is Ingersoll Rand Company c/o ENSR, 222 Cameron Drive, Phillipsburg, Warren County, NJ 08865.

Please note that the subject property (942 Memorial Parkway) is being subdivided for multiple owners and tenants. Tenants at the subject property include Flowserve and Curtiss-Wright. However, the companies identified as Flowserve and Curtiss-Wright in your records are not associated with the former Ingersoll Rand facility nor the Ingersoll Rand Company since these are completely distinct companies and/or entities. Therefore, the RCRA Subtitle C Site Identification Form submitted to your office is specifically for remedial activities that are being conducted under the oversight of Ingersoll Rand Company.

If there are any questions, please feel free to contact me at ENSR at (732) 981-0200 ext. 3012.

Thank you in advance for your assistance.

Sincerely,

Nadia S. Oliveira
